

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner faxed proposed amendments necessary to place the application in condition for allowance to the applicant's attorney for review and approval on February 17, 2004 (see attached). In the telephone interview on March 2, 2004, the applicant's attorney approved the proposed amendments and authorized the examiner to proceed with the changes via Examiner's Amendment. The changes to claim 1 were necessary to clarify the claims by eliminating problems under 35 U.S.C. 112, 2nd paragraph and to make the claims commensurate with the applicant's arguments that the examiner found persuasive. Claims 9-15 were cancelled without prejudice as being drawn to a non-elected invention. Refer to the Examiner's Amendment for a complete listing of changes.
